There is plenty to do, for each one of us, working on our own hearts, changing our own attitudes, in our own neighborhoods.

Regulation Reminder
Article 4, Section 16: C -
No fires for burning of trash, leaves, clippings or other debris or refuse shall be permitted on the property or any part of road rights-of-way.

Meet Our Treasurer Kelly!

Kelly Tomkins is the treasurer for the Lakeland 55 HOA board. She engages her passion for community, environmental, and government as the GIS specialist for the City of Foley. She also represents the Alabama League of Municipalities on the GIS Executive Council for the State of Alabama. Originally hailing from Pensacola, FL, Kelly has a full range of schooling and experiences. She completed her undergraduate work at the University of Central Florida in Molecular and Microbiology. From there, she moved to Denver, CO where she studied her Masters of Science in Environmental Studies. She finished her graduate work at University of West Florida with her GIS certification.

Kelly, her three children, and two dogs, have been residents of Lakeland 55 since September 2019. Her two girls are ages 8 & 6, and her son is 3; her dogs include a hyper and mouthy Weimaraner named Luke, and a loud but extremely friendly Bassett Hound named Miss Mae. Kelly and her family enjoy gardening, sports, cooking, celebrating holidays, boating, hiking, traveling, and monthly Bunco.

We regret to inform you that the Trunk or Treat and Chili Cookoff Fundraiser has been cancelled This difficult decision has been made due to low participation from our community. Hopefully next year will be more promising.
